(*) Maximum amount of expenses: That ASSIST-CARD will pay and/or reimburse to all the card holders, for all the services rendered according to the general terms and conditions, in case the same event provokes illness, injuries or death to more than one card holder.

(**) Includes: Doctor consultations, attention by specialists, contact with your family's pediatrician, delivery and pregnancy complications up to week 26, complimentary medical examinations, physical recovery therapy in case of trauma, medication, emergency dentistry, hospitalization, surgery, intensive care and coronary unit.

(***) First medical attention in case of pre-existing illness: Verify limitations and exclusions due to pre-existent illness.

Important: The insurance policies indicated herein have been underwritten by local insurance companies and are subject to usual and/or legal exclusions applicable to this type of coverage approved by the Insurance Regulatory Board in the country where the ASSIST-CARD is issued.

Consult ASSIST-CARD general conditions in the website www.assist-card.com. ASSIST-CARD general conditions are available to the general public in our shops and provided to the customers at the moment of the purchase. Maximum validity per trip: 60 days. Territorial validity: International. Age limits: Passenger must be younger than 90 years old. Cashless on board only for medical services.

(****) In the event that the guest/traveling companion needs to cancel their cruise vacation for "any other reason", they may be eligible for "Any Reason" Cruise Credits (up to 75% of the Cruise Vacation Cost towards a future sailing). Please contact our International Representative and/or your travel agent where the booking was made.

No refunds within full penalty cancellation period as per applicable policies of Azamara Club Cruises, Celebrity Cruises and Royal Caribbean International.
